## Presbytery Acts On Commission's Request

Concord Presbytery in its regular winter meeting at Newton, N. C. on January 20th adopted the report of the special committee appointed to study and report on the request from the Commission of the Synod of North Carolina. The Synod's Commission had said "The Commission further holds that by virtue of the responsibility vested in them by the Synod and by their charter, the Board of Regents of the Home must have an equal voice in the administration of Little Joe's Church or in any organized church related to the Orphanage as to the calling and support of the pastor of said church, and as to the program of Religious Education affecting the children of the Orphanage. Therefore, we request the cooperation of Concord Presbytery in giving to the church related to the Orphanage such special status as will enable the Board of Regents of the Orphanage to exercise such equal authority.

The following report adopted unanimously by the Presbytery was given in response to the Commission's request:

**"In compliance with the request of the Synod Commission that Concord Presbytery define a working relationship between the Presbyterian Orphans' Home and Little Joe's Church, it is hereby stated to be the will of the Presbytery:**

**" 1. That the church and the home share equally in the support of the pastor of the church, working out immediately a permanent plan for such support.**

" 2. That the Session of the church and the Board of Regents share equally in the program of Christian Education for the children of the home. and that they agree on a workable plan by which

## Campus Recovering From the Flu

The last half of the month of January and the first part of February were dreary days as young and old struggled with the flu bug on the campus. The infirmary was overloaded and extra space had to be provided for patients in the cottages. The high school was the first group affected and from that group it worked its way on down to the Baby Cottage which was the last to succumb. No serious after affects have been experienced by any of the students or staff members, though the regular toll of weakness prevails for some time after the attack. It has been well-nigh impossible to hear in the school room or in any assembly because of the heavy coughing. Deep, croupy-like coughs have accompanied nearly all of the cases of the smaller children.

The general physical examination scheduled for the last part of January had to be post-

## Bailey's Minstrel Very Interesting

The boys and girls of the Home had a delightful afternoon recently when Bill Bailey's Minstrel Show came to town. Friends and business firms and the Police Department who sponsored the show sent enough tickets for the students of Barium to attend the afternoon show. The two buses making two trips each brought in four busloads for this occasion. Joining the other children of the community who were present for the afternoon performance, the group responded with great delight as the troupe put on a special performance for the children.

## Cottage News

### Jennie Gilmer

Hi Friends.

Sorry we have not told you the news in a long time. To start with we want to thank all of our friends for a Merry Christmas and all the lovely things we received. We hope you had a Merry Christmas and a Happy New Year.

Here at Jennie Gilmer we have a new television set. We are enioying it and we look at all kinds of shows. We sure would like to express our appreciation for you who gave us this set.

We are improving in our work at the dairy and at our cottage. Our cottage was painted during the summer and we are taking care of it.

We have some birthdays this month, they are Harold Evans, Bobby Fry, Lawton Rice, we wish them a happy birthday.

We have two pretty good teams in Basketball. We have been practicing on the junior team. We have not had any games but we hope to.

We had several visitors this month, they were Bobby Arrowood, Mack Wicker and Billy Black, we were glad to have them visit us.

So long until next month.

—Ray Smith.

### Annie Louise

Nothing new has happened to any of us except that about all of us have had the flu. But we won't say anything else about that since everyone already knows too much.

We've been having beautiful Spring weather lately and it really seems wonderful after all the cold days. We've begun to have our spring dresses made at the sewing room and they'll look real pretty with the new flowers starting to bloom.

Some of our friends seem to think we're not sweet enough and are still sending us candy. But that's O. K. We won't let them know differently.

Our heating system is very good and we'd hardly know how cold it is outside its so warm inside.

Another sign if Spring is the bicycles which have just been taken out again.

We have been attending many basketball games and have quite a time in our cottage when our team plays Statesville. We're always threatening to "throw 'em out" if they don't "bet" on Barium.

Miss Hoots, our nurse, certainly needs a lot of thanks for taking such good care of us when we were sick. She was really on the job.

A few days ago we went to Statesville to see a Ministrel. We really enjoyed it and are still trying to imitate the characters.

One of our little "bright" girls, who likes to talk, said that she was glad that she was called on to recite the fourth commandment because it was long and she got to talk a long time.

Well, we'd better quiet down before you think that all of us are like her. We're really not.

—Shirley Byrd.

to expedite an effective program.

"3. That before calling a pastor to the church the home and the church confer on prospects and that no pastor be called who does not meet with the approval of both groups."

Following the adoption of these recommendations the Presbytery expressed its gratitude and pleasure at this solution to the controversy and adopted the following resolutions:

"It is the belief of the Presbytery that the so-called 'situation at Barium Springs' is rapidly being resolved. The study of the problem by the Synod's commission has helped to clarify the issues, and to orient the thinking of the church at large.

"The action of the Presbytery today in defining a practical working relationship between the two autonomous bodies concerned should now make it possible intelligent and harmonious planning and the fulfillment of common responsibility.

"As important as these practical considerations are, the most encouraging harbinger is the new mood of understanding and peace which seems to coming over us all. Men and women on both sides of the question are expressing a determination to forget these things which are behind us and to press on for the welfare of all concerned. Mistakes have been made on both sides. Facts have been grossly distorted. Bad feeling has been engendered in many quarters. But by the Grace of God, these things are rapidly becoming ancient history. The future is before us. In a mood of penitence for the past, of thanksgiving for prevailing grace, and of hope for the days ahead, we join the prayer that God will richly bless all to whom is committed this ministry at Barium Springs."

This action came upon recommendation of a special committee appointed by the Concord Presbytery and consisting of the Rev. Sidney A. Gates of Salisbury as chairman, and the Rev. Joseph B. Clower, Jr., of Morganton, secretary. Other members of the committee are the Rev. A. A. McLean of Lenoir, the Rev. E. P. Moye of Mooresville, and Ruling Elders W. C. McGavock of Davidson, S. T. Jones of Statesville, and M. N. Petrea of Kannapolis.
